

DIPARTIMENTO
DI SCIENZE STATISTICHE

SAPIENZA
UNIVERSITÀ DI ROMA

The Demography of Ageing

October 3rd 2024

Sapienza University
of Rome

Aula Gini, Dept. of Statistical Sciences,
Piazzale Aldo Moro, 5, Rome

The results of the Spoke 1 of the Age-It Research Program are presented and discussed with a particular focus on policy implications. The new partners that will join Spoke 1 from cascade calls are introduced.

October 4th 2024

Italian National Institute
of Statistics (ISTAT)

Aula Magna Istat, Via Cesare Balbo 14,
Rome

The results of the Age-It Research Program are presented and discussed with a particular focus on the collaboration between Academia and Istat, and the implications for Official Statistics. The final session is a satellite event of the **Festival della Statistica e della Demografia** on migration and new citizenships.

Participation is free, but for organizational purposes, registration is required by filling out the [form](#) no later than September 20th
